Identification and Diagnosis of Parasites of Biomedical Importance

Young Scientists' Workshop on Identification & Diagnosis of Parasites of Biomedical & Zoonotic Importance
June 23 – July 7, 2000

organized under the auspices of
Department of Zoology, North-Eastern Hill University, Shillong

sponsored by
Indian Society for Parasitology, Lucknow
Council of Scientific & Industrial Research, New Delhi
Department of Science & Technology, New Delhi
Indian Council of Medical Research, New Delhi
North-Eastern Hill University, Shillong

Proceedings

sponsored by
North-Eastern Council, Shillong

edited by
Arun K. Yadav, Department of Zoology,
North-Eastern Hill University, Shillong 793 022, India
Contents

- Advances in Diagnosis of Amoebiasis
  R. C. Mahajan (PGI, Chandigarh) 1

- Current Status and Diagnosis of Malaria
  R. C. Mahajan and M. L. Dubey (PGI, Chandigarh) 7

- Simple Immunoassays in the Serodiagnosis of Cystic Echinococcosis
  S. C. Parija (JIPMER, Pondicherry) 11

- Lymphatic filariasis with Special Reference to Assam and Approaches to Diagnosis
  A. M. Khan and J. Mahanta (RMRC, Dibrugarh) 21

- Cercarial Dermatitis of Animal Schistosomes Origin
  K. Narain and J. Mahanta (RMRC, Dibrugarh) 29

- Identification of Helminth Parasites of Medical Importance
  V. Tandon and A. K. Yadav 35

- Protozoa: Newly Revised Classification and Staining Techniques for Classroom Demonstration
  D. P. Halder (University of Kalyani) 53

- Status of Malaria in N. E. Region of India
  J. Mahanta (RMRC, Dibrugarh) 57

- Parasitic Zoonoses with Special Emphasis on Fish-Borne Parasitic Zoonoses in North East India
  A. R. Gogoi (Assam Agricultural University) 61
Gel Immunodiffusion and Enzyme-Linked Immunosorbent Assay
A. Alam (NEHU, Shillong)

Analysis of Serum Globulin & Counting of Eosinophils in Infected Host
S. B. Prasad and A. K. Yadav (NEHU, Shillong)

Strain Variation in Helminth Parasites and Polyacrylamide Gel Electrophoresis (PAGE)
B. Roy (PUC, Aizawl)

LPCB Wet Mount of Stool for Diagnosis of Intestinal Parasites
S. C. Parija (JIPMER, Pondicherry)

Stool Examination for the Diagnosis of Intestinal Parasites
A. K. Yadav (NEHU, Shillong)

Principles of Electron Microscopy and Preparatory Techniques for Biological Samples
S. Dey (RSIC, Shillong)

Nuclear Magnetic Resonance and Magnetic Resonance Imaging (MRI)
S. K. Prasad and D. Dey (RSIC, Shillong)

Special Diagnostic Techniques for Parasitic Infections
A. K. Yadav (NEHU, Shillong)
